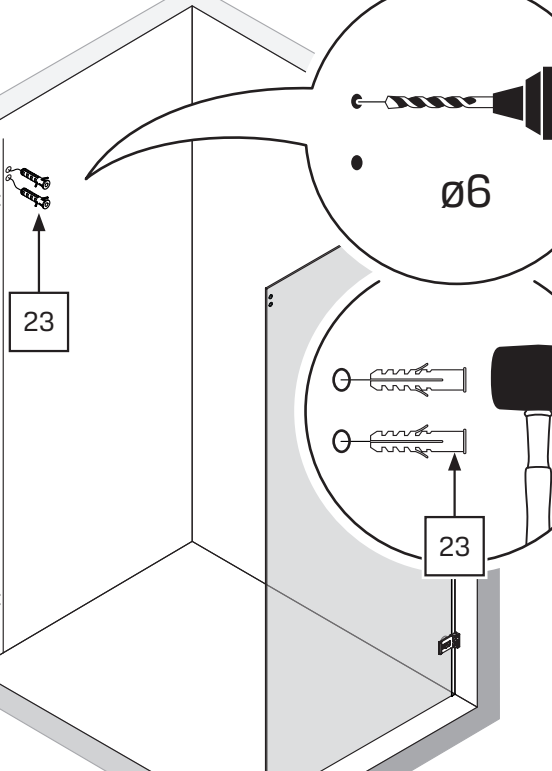

Diagram 7.2 illustrates the mounting of the side panel. The diagram shows a 3D perspective of a cabinet with a side panel being attached to the right side. Two callouts provide details: the top callout shows a drill bit labeled $\varnothing 6$ being used to drill a hole into the side panel; the bottom callout shows a screw being inserted into a pre-drilled hole in the side panel, with a hammer icon indicating the use of a hammer. A box labeled 23 is shown on the side panel, indicating the location of the mounting point.

7.3

Diagram 7.3 illustrates the mounting of the door hinge. The main view shows the hinge being attached to the side of the cabinet frame. The circular inset provides a detailed view of the hinge assembly, showing the hinge plate (18) and the screws (23) being used to secure it. A hand is shown using a screwdriver to tighten the screws.

8

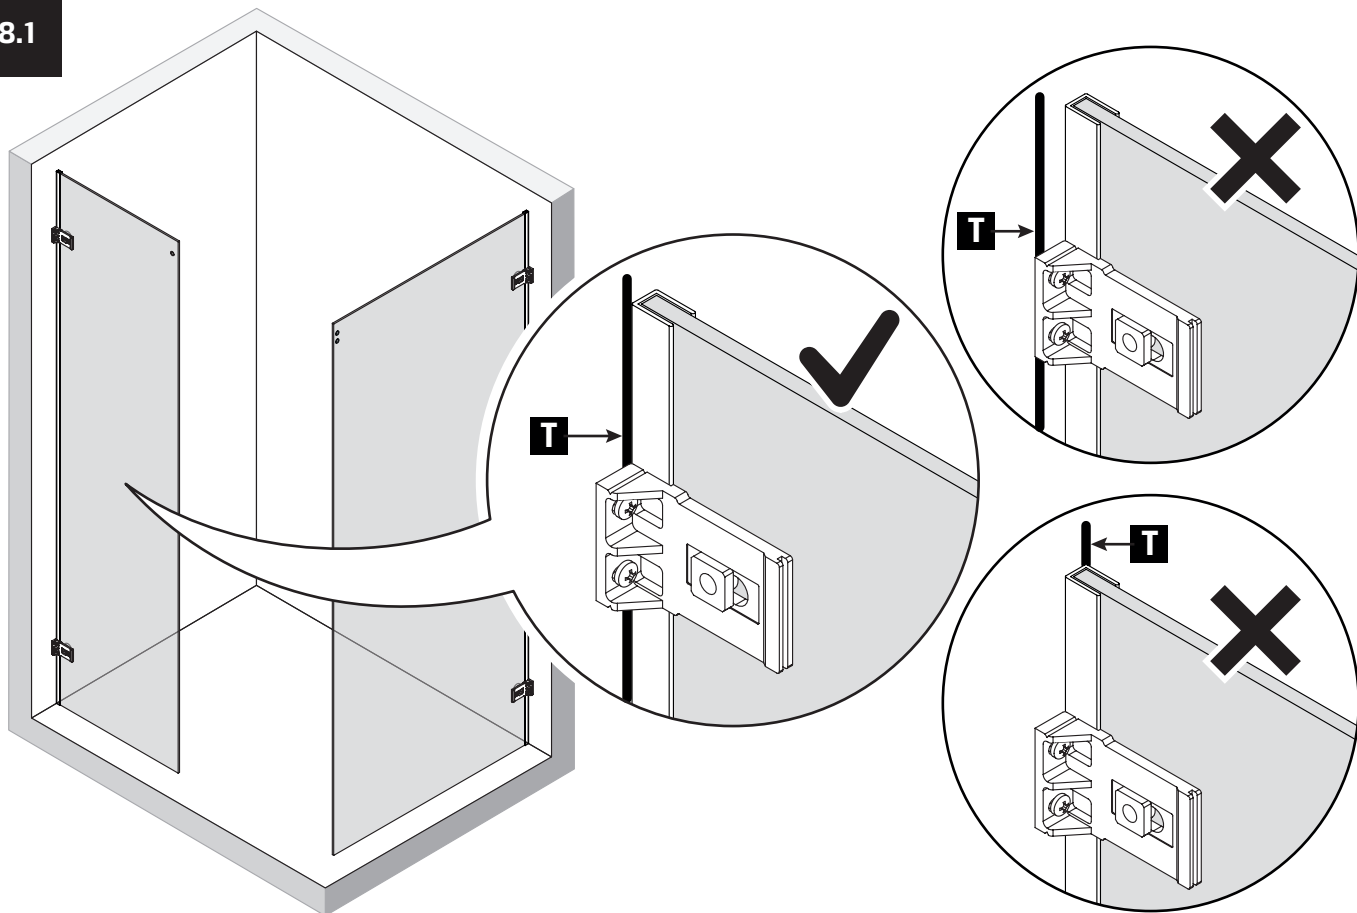

Diagram illustrating the correct and incorrect methods for mounting the glass door onto the frame.

The main diagram shows the glass door being inserted into the frame. The callout shows the correct method (marked with a checkmark) and the incorrect method (marked with an X) for securing the hinge.

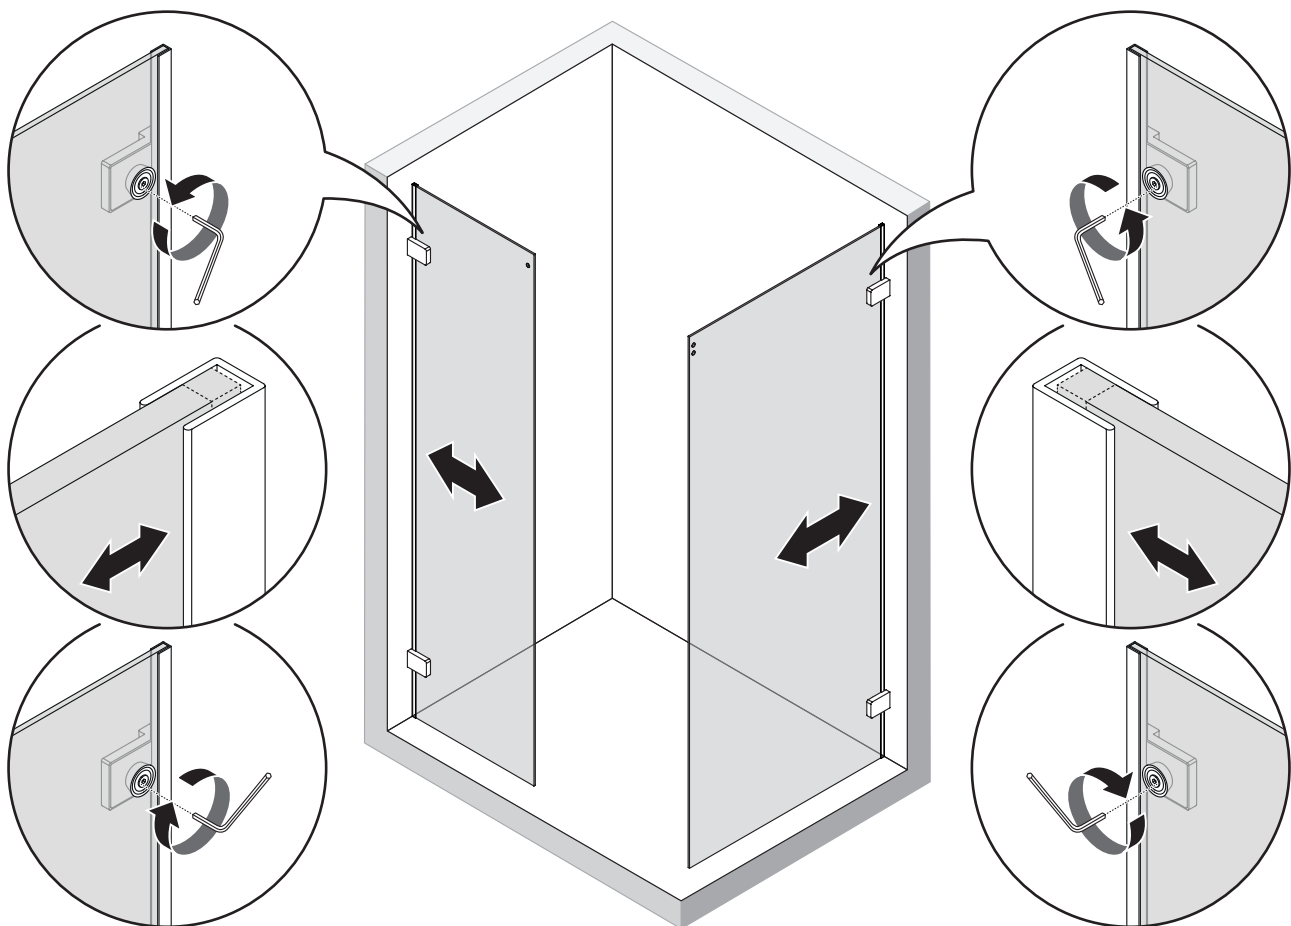

The callout shows the correct method (marked with a checkmark) and the incorrect method (marked with an X) for securing the hinge.

The callout shows the correct method (marked with a checkmark) and the incorrect method (marked with an X) for securing the hinge.
